- Free Picture Software
- Free Word Stuff
- Free Movies and TV
- Free Books, Magazines and Comics
- How to Find Free Stuff on the Internet
- The All Time Best Free Download Site
- Final Thoughts

# Is Free Stuff Really Free?

There is an old saying:

There's no such thing as a "Free Lunch"

**Free Stuff on the Internet isn't really free.**

- You might pay with personal information
- You might pay by have to watch an ad
- You might pay by having fewer features

**Read EULAs and Terms of Use**

# Common Licenses

- Public Domain License – free to use and modify without restrictions
- Open Source License - allow to be freely used, modified, and shared
- General Public License (GPL) – users can copy or change code
- Creative Commons Copyright License – several varieties. Most require users to attribute

# Those Were Just a Few Licenses

There are thousands of “free” licenses

Some Don't Seem Necessary

Read before you click
